

Evening with the Pros  
September 29, 2011  
Combs Auditorium  
Bell Engineering Center

The speakers and topics include:

1. Matt Crafton (Crafton Tull) -- "Soft Skills -- Maximizing Your Non Technical Abilities". Addressing the importance of skills like leadership, teamwork, consensus building, social and business networking, etc. in advancing your career, and what you can do to strengthen them.
2. Mike Griffin (Garver) -- "How You Can Stand Out Positively in a Job Interview". Addressing tips for preparing your resume and performing in the interview room.
3. Ralph Hall (AHTD) -- "Communicating Effectively With Non-Technical, Public and Political Audiences". Addressing tips for getting your point across in public meetings, with local and public boards, with political individuals and/or bodies, etc.
4. Grady Harvell (AFCO) -- "Giving Back -- the Engineer as Philanthropist" Addressing the importance of, and success stories related to, giving of your time, expertise and resources to civic/public/private organizations.

The seminar will be held in Bell Engineering Center 282. Pizza will be provided.

Undergraduate students, graduate students, faculty, and practicing professional engineers are invited to attend.
